(Peace Be Upon Him)

Javeed Ahmed Khateeb

Almighty Allah says:

وَإِن تُطِيعُوهُ تَهْتَدُوا

"And if you obey him (the prophet), you will be rightly guided."

THE HOLY QUR'AN: 24:54

Prophet Muhammad (peace be upon him) said:

بَلِّغُوا عَنِّي وَلَوْ آيَةً

"Convey my teachings to the people even if it were a single sentence."

AL BUKHARI: 3461

Preface

Prophet Muhammad (peace be upon him) had special love for children. He used to be with them, teach them, guide them and help them to build good character. Umar bin Abu Salamah reported: “I was a boy under the care of Prophet Muhammad (peace be upon him) and my hand used to go around the food dish while I was eating. So the Prophet (peace be upon him) said to me, 'O boy! Mention the Name of Allah and eat with your right hand, and eat of the dish what is nearer to you." Since then I have applied those instructions when eating." (Al Bukhari: 5736)

Keeping this beautiful occasion in mind, we have mentioned in this illustrated book, around 100 simple sayings of Prophet Muhammad (peace be upon him) which will help children to learn basics of Islam, etiquettes and manners, do's and don'ts and their responsibility towards parents, family, people, animals & environment.

May Allah shower His blessings to our beloved children and provide them with knowledge of Islam. Ameen!
